

RELICS OF THE BAYSTATE ALTERNATIVELY-POWERED HUMAN LEGION!

ENTERTAINERS:

A. John Cena's Jorts: Bestow superhuman strength, reflexes, and wrestling skill on the wearer, regardless of previous experience in the ring. Also grants the gift of invisibility, and the ability to interrupt any situation with a shout of the wearer's name and personal theme music.

B. Leonard Bernstein's Baton: Allows the holder to compose pieces in any theatre-based genre, including opera, orchestra, musical theatre, ballet, and film. Also allows the holder to conduct entire symphonies while playing piano expertly, regardless of skill level in either area.

C. Donna Summer's Microphone: Gives superstar-level singing and dancing ability to the holder, with a particular emphasis on disco, early electronic, and dance-club style hits. Also makes the holder an instant icon to both gay men and middle-aged people at weddings and other parties.

D. Mindy Kaling's Spec Script: Grants the holder the humor and talent to join the writing team of any television comedy, regardless of previous experience, and, if charged, create entirely new semi-autobiographical programs based on their lives. Also enables the holder to do a perfect Ben Affleck impression.

E. Penn Jillette's Box of Props: Empowers the user to generate incredibly realistic illusions, along with complete mastery of legerdemain and all forms of stage magic. Also allows the user to turn any object placed in the box into a magic prop, and gives them a healthy dose of skepticism.

RELICS OF THE BAYSTATE ALTERNATIVELY-POWERED HUMAN LEGION!

ATHLETES:

A. Aly Raisman's Leotard: Grants the wearer enhanced agility, flexibility, core strength, and the ability to perform incredible gymnastic feats. Also allows the wearer to spark a debate about whether gymnastics is a "real sport" just by entering a room.

B. Bill Russell's Jersey: Gifts the wearer with the ability to elongate their limbs, along with enhanced coordination and the power to instantly rebound any object thrown at them regardless of size. Also makes the wearer speak in an Irish accent.

C. Bobby Orr's Skates: Give wearers the power to move effortlessly across ice, oil, or any slippery surface, regardless of previous experience. Also provide mild force field conjuration, enhanced aggression, and the ability to roar like a large brown bear.

D. Tom Brady's Helmet: Bestows the wearer with clairvoyance, allowing them to instantly see the best route through any situation or crowd of people and act accordingly. Also strengthens the wearer's throwing ability and makes them bleat like a GOAT.

E. Babe Ruth's Mitt): Allows the wearer to become an all-around expert in whatever field they choose, enhancing all natural abilities while bestowing new ones (Ruth was good at *everything* in baseball). Also gives wearers the ability to cast hexes that last for approximately 86 years.

RELICS OF THE BAYSTATE ALTERNATIVELY-POWERED HUMAN LEGION!

AUTHORS:

A. Phillis Wheatley's Quill: Allows the holder to write classical-style poems, replete with mythological references, on any subject, with a particular emphasis on paeans and odes. Also forces the holder to be subjected to analysis by a panel of "experts" to prove ability.

B. Louisa May Alcott's Typewriter: Enables the user to turn their personal memories and life story into a successful series of novels popular with both children and adults. Also gives the power to change the size of objects, but only miniaturizing and then returning them to their original state.

C. Julia Child's Apron: Gives the wearer the ability to cook any dish, regardless of previous culinary experience, and to inspire happiness in anyone who eats said dish. Also gives the wearer a love of French culture and an extremely odd, but pleasant, cadence in their speech.

D. Suzan Lori-Parks's Calendar: Bestows the holder the capacity to write a complete play in a single day, with the caveat that once begun, the holder must write plays each day for one year. Also allows the holder to be transported to the American Civil War era to gather writing material.

E. Margaret Fuller's Library Card: Grants the user access to any library or information system in the world, be it physical, digital, or otherwise. Also grants the user immediate and total knowledge of feminist theory and history, and a passion for social reform.

RELICS OF THE BAYSTATE ALTERNATIVELY-POWERED HUMAN LEGION!

POLITICIANS:

A. Samuel Adams's Beer Stein: Gives the drinker the ability to form secret committees, communicate telepathically with others, and, after drinking, write skilled, moving pieces to inspire resistance. Also transforms whatever liquid is poured into the stein into delicious beer.

B. Lucy Stone's Ballot: Bestows complete and total knowledge of any and all political issues and politicians currently being voted on, from school board debates to town ordinances to national elections. Also allows the holder to instantly teleport to and from their voting location.

C. Frances Perkins's Picket Sign: Allows the holder to organize anyone who stands in their vicinity behind their cause, creating instant protests against tyranny. Also allows the holder to create unions of vast size, and elevates the salary of whatever business they enter to a fair, living wage.

D. The Kennedys' Coat of Arms: Grants the holder exceptional eloquence, personal charisma, and charm, allowing them to both speak effortlessly before crowds and win people over to their side. Also creates spates of bad luck for the family of whoever holds it.

E. Melnea Cass's Glasses (Meta): Empower the wearer to see the true potential in anyone or anything they look at; also allows the wearer to know just what to say to help people achieve that potential, and how to convince even the most reluctant person to join a noble cause. Also enables the wearer to automatically gain the title of "First Lady" of any town they choose, regardless of citizenship.

MEGA-METAS:

A. Brad Schaefer's Indian-Head Penny: Grants the holder the ability to create incredibly complex enigmas that can take an entire weekend to solve; also allows the holder to solve enigmas created by others. The Legion notably used the Penny to create the P.U.Z.Z.L.E.S. that defend their ranks.

B. William Rosenberg's Coffee and Donut: The Ones-Above-All and true power source of the Baystate Alternately-Powered Human Legion. A single sip and bite allows the eater to become fully charged and alert. The objects can also heal injury, awaken the sleeping, supercharge the other relics, and generally save the world.
