
SUZAN-LORI PARKS'S CALENDAR

This is a traditional logic puzzle, no tricks. Solving it produces the following:

Month	Holiday Name	Observance
January	Plastic Dinosaur Day	Invent a story...
February	Broken Umbrella Day	Paint a picture of someone...
March	Pancake Toppings Day	Cuddle a pet or loved one
April	Green Tea Day	Tell people to have...
May	Eggplant Parmigiana Day	Go from one place to another
June	Blocks Party	Try to build a fire
July	Ash Tree Day	Dig in a sandbox
August	Wet Beast Day	Eat a cookie in the park
September	Afternoon of the Elves	Hide in a tower and make...
October	Evening Gown Day	Party with ninety of your...
November	Wobbly Stump Day	Shout or yell loudly
December	Upside-Down Day	Make a new crayon color

If you then index the month number (January = 1, etc.) into both the holiday name and the observance, it produces PIRANDELLO'S BEST KNOWN PLAY, cluing the answer, **SIX CHARACTERS IN SEARCH OF AN AUTHOR**.
